

2018 Sunshine Coast Mini Maker Faire Sponsorship Prospectus

EVENT OVERVIEW:

The **Sunshine Coast Mini Maker Faire** brings together Makers, performers, and workshop leaders, from across a wide range of disciplines for a day of exhibiting projects, building community, and sharing knowledge and inspiration. The community-driven festival showcases the amazing works of all kinds of Makers; anyone who is embracing the do-it-yourself (or do-it-together!) spirit and wants to share their accomplishments with an appreciative audience.

This is our 4th year and we expect a **larger than usual** attendance and even more makers participating as the Vancouver Maker Faire as been put on hold for 2018. We will **dramatically increasing our outreach to Vancouver participants this year** to encourage them to come to the Sunshine Coast as an alternative outlet for their Maker energies.
